Dear Mr. Dabelstein,

I have indicated on a copy of your letter some minor changes from the information you sent. It appears obvious that you received our signal orginating from Morehead City, North Carolina.

Your report was of definite interest. If you would, please send me any information as to what type of receiving equipment you used and how you received the signal again. I appreciate you writing and look forward to hearing from you again.

In Christ's Service,

Michael D. Ebron
General Manager
